

Animal adventure

Cosmic and Gem are bored. Gem wants to go on an animal adventure. Uncle Astro said that they will find minibeasts if they look carefully. Gem looks high and low but she can't find any little animals. Cosmic thinks that they should go to ask Uncle Astro for help.

- ★ Have you seen any little animals where you live?
- ★ Where do you think Uncle Astro will tell them to look?

Gem

I think that they might live underneath logs and stones

Uncle Astro

I think you will find little animals everywhere, if you look carefully

Cosmic

I think we might need to look in trees and on the top of walls

★ What do you think?

Talk about

- ★ Talk to a buddy about your ideas.

★ Your challenge

Go on an animal adventure and see how many animals you can find.

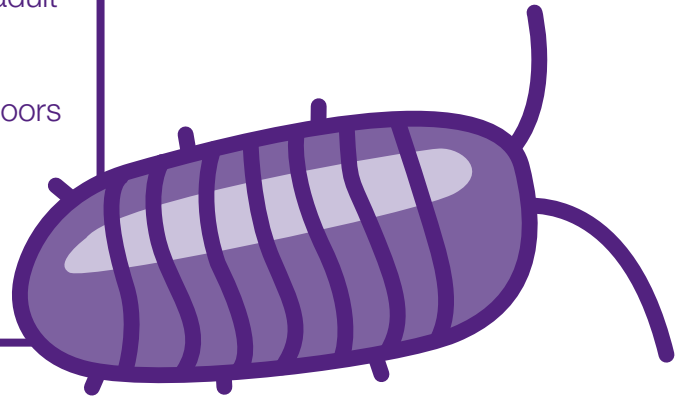

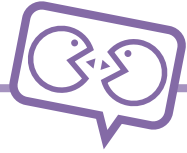

★ **Here's one way to find out**

- ★ Find a place with a large stone or log.
- ★ Look carefully all around it to see how many animals you can spot.
- ★ Now lift the rock or log very carefully (ask an adult for help) – how many animals can you see?
- ★ You might collect some of them to look at indoors (check with an adult first).
- ★ Make sure that you are kind to the animals and return them to their homes afterwards.

Talk about

- ★ Plan your animal adventure with a buddy. How are you going to find out which animals live around you?

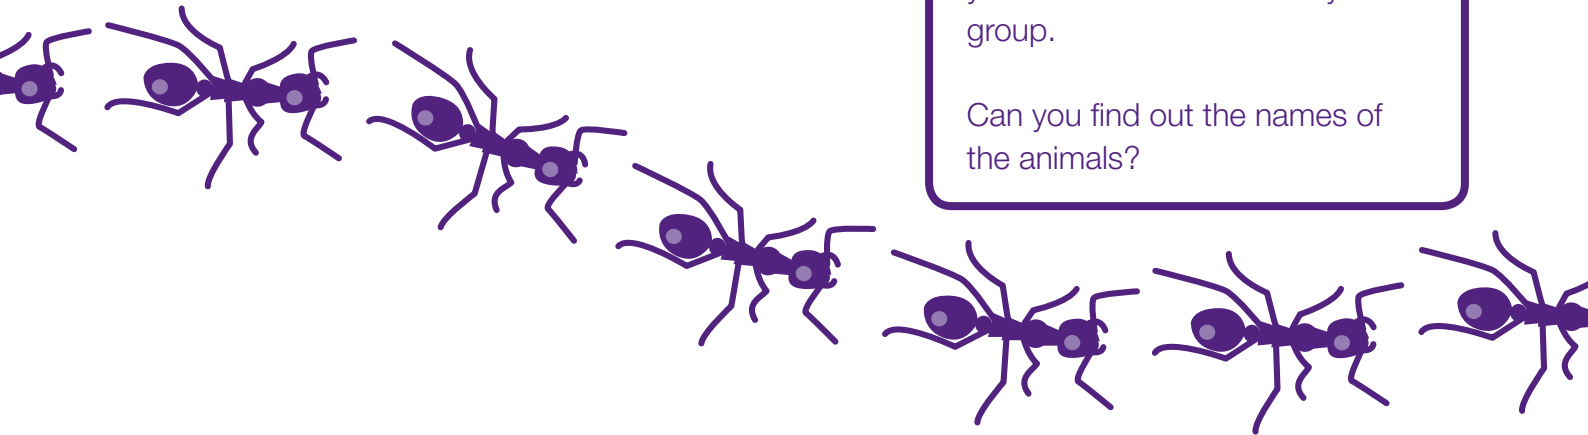

★ **Can you think of other places to look for animals?**

★ **Share your ideas**

Draw a picture, write a poem or make a model of the animals that you find. Share them with your group.

Can you find out the names of the animals?

Congratulations!

You are an amazing animal adventurer.

Collect your stickers and get ready for your next challenge.

★ **Here are some extra things to do**

- ★ Find out more about some of the animals.
- ★ Where is the best place for them to live?
