

# **Rainbow colour collectors**

I think that we will only find green like leaves and grass

I think I will find lots of colours

I think it might depend on where we look

A British Science Association programm

Cosmic and Gem are sad that the rainbow has vanished. Aunt Stella thinks that they can make one from the colours that they can see around them.

- ★ Have you seen a rainbow?
- ★ Which colours did you see?
- ★ Do you think that Cosmic and Gem can find all the colours of the rainbow?

#### Talk about

**5** 

★ Talk to a buddy about your ideas.

# ★ What do you think?

# **\* Your challenge**

Can you help Cosmic and Gem find all the colours of the rainbow?

### $\star$ Here's what you can do

- $\star$  You are going to collect your rainbow on a palette.
- ★ Look around you very carefully.
- ★ You might find leaves, flowers and other things.
- ★ You only need tiny bits of each colour.
- ★ Stick the bits of colour on your palette.

★ Do you think Cosmic and Gem will find the same colours in spring, summer, autumn and winter?

Talk about

★ Talk to a buddy about your ideas.

#### ★ Share your ideas

Put all your palettes on display to make a beautiful rainbow.

## **Congratulations!**

You are a clever rainbow colour collector. Collect your stickers and get ready for your next challenge.

#### ★ Here are some extra things to do

★ You could take some photographs or draw pictures of the different colours you can see around you. You could make a rainbow scrapbook.
