Weekly update.

There has been so much fun in school this week as we have celebrated special days with the children and talked about how we can make school a happy, safe place for everyone as part of Anti-Bullying Week.

Class 1 took part in a mock wedding yesterday and went up to church with Rev. Katie. The children were all dressed up in their finery and re-enacted the special ceremony, exchanged rings, signed the register and had a wedding breakfast. Thank you so much to all parents and carers who donated bottles yesterday for the tombola at the Christmas Fair – we will certainly have a lot of super prizes for the Tombola stall that day! Please note that due to staff training on Monday 22nd there will be no computer club with Miss Lenton- please do call the office if you will need a space in after-school club instead. Next week in school we will be having our termly assessment week. Teachers will be working with children to undertake assessments in the normal classroom environment and sometimes in small groups or 1:1. We use the results of these tests to see how much progress the children are making and analyse results in order to support pupils going forward. If you have any questions please do not hesitate to speak to your child's class teacher. Wishing everyone a restful weekend, Mrs Gail Duxbury

School Photographs.

On 29th November the school photographer is in. They will take pictures of all children individually and with siblings. If you have a younger child at home who you would like to be included in the photos, please stay at school after drop off and we will take those pictures in the hall at 9am. Class 1 have PE that day so should come to school in uniform and bring their PE kit with them.,

Decorating the School for Christmas.

On Tuesday 30th November staff will be decorating the school ready for the Christmas Fair on Friday. If you are able to help us from 3.30-4.30pm we would be very grateful – thank you!
