24th January 2019

Happy New Year! We hope that you all had a peaceful and restful holiday, and are now refreshed and ready for an exciting new term of learning. The children are getting back into the swing of things quickly and are starting to engage with some exciting new curriculum topics- hopefully they will be telling you all about them! Some more children have now achieved their bronze TG badge and have received these in assembly; don't forget to keep on logging any stickers received via the school website.

We have now received our new computers that we have been able to purchase as a result of the fabulous efforts of the Friends of Haselor and the generous support and contributions from our community. Thank you - the children will be putting them to good use very soon! With a busy term through to Easter we are looking forward to more events both in school and outside, especially as the weather begins to improve.

Finally just a couple of reminders. With the weather being particularly cold at the moment, could I just ask that all children bring a coat into school so that they are warm enough when they go outside to play at break and lunchtimes? Also, we have been asked to remind parents and carers dropping children at school in the morning or picking up in the evening that the turning point for traffic is at the end of the road by the farm - thank you for your consideration.

Here's looking forward to a busy and successful 2019!

Mr S Dixon

Drop off and Pick up

We kindly ask that during drop off and pick up times, children do not play on any school equipment or in the Early Years' outdoor area. These areas should be used during school time only and supervised accordingly, ensuring that the children are safe and that equipment is being used safely and appropriately.

Young Voices Concert

Last Thursday, KS2 took part in the Young Voices concert at the Genting Arena in Birmingham. The children spent the day rehearsing for the evening concert, where they formed the world's largest choir, singing with 6,000 other pupils from around the country.

It was a fantastic experience and the children's behaviour was exemplary - they made us all very proud!

**** Don't forget, tomorrow Friday 25th January is a Trust Inset Day and the school will be closed to pupils.**
