## Weekly update.

Dear Parents/Carers,

It has been lovely to welcome everyone back after the Easter break this week – I hope that everyone had a well-earned rest which was probably aided by the awful rainy weather!

We have lots of things planned for this hopefully sunnier Summer term so do keep your eye on this weekly newsletter and our Facebook and Twitter pages for regular updates.

Class 1 started their term off with a wonderful trip to **Oversley Hill Farm** on Wednesday. Thank you to all parents who supported with transporting children to and from the farm and also to those parents who stayed and assisted on the day. We are so fortunate to have this fantastic resource on our doorstep and would like to say a big thank you to **Mrs Hamilton** who provides the day visits for every class in the school free of charge- we are very lucky indeed!

Parents in EYFS and Key Stage 1 should have received information this week about **parental maths workshops** that will be running to support children's learning in each year group. These sessions will have a huge impact on your child's learning and enable them to understand concepts more through activities at home – please do attend if you are able to.

**Class 1 will be holding their cake sale day on Wednesday 17<sup>th</sup> April** at Breaktime. Children in class 1 will organise the event but donations are welcome from all classes to support the sale- many thanks in advance. Please add the date of Friday 5<sup>th</sup> July to your calendars for the **FOHA Summer Fair** which will be held of the field from 3.30-5.30pm. Today was a non-uniform day to collect Bric-a-Brac items for a tombola stall – please do bring in any forgotten items at any time if you were unable to today- many thanks in advance for your support – we are hoping that by spacing these collection days apart a little that it helps parents with all of the organising! Thank you to the Friends for all their continued hard work!

Have a super weekend everyone,  
Best wishes, Mrs Gail Duxbury
