Weekly update.

Dear Parents/Carers,

What an amazing success the **Summer Beach Party** was last Friday after school. The event raised a staggering £610 and it was wonderful to see so many happy faces and everyone having such a fun time. I am sure the sunshine on the day helped! Thank you to all the Friends of Haselor who organised the event and everyone for supporting the school.

A further reminder to please be **considerate when parking** during drop off and pick up times. We have had complaints from neighbours about cars **parking on corners** which makes it especially dangerous for people to pull out of junctions and cross over. We have worked really hard to foster good relationships with local families and would not want this spoilt -thank you in advance for your cooperation.

A huge well done to all of our Year 2 children this week for tackling their **KS1 SATS** so sensibly this week. The assessments were completed in normal classroom conditions and parents will be notified of results with the summer report sent next half term.

As a school we have decided to **change the provision for the teaching of phonics** and early reading across the whole school. We will be moving to implement **Little Wandle Letters and Sounds** over the 2nd half of the summer term. We have been supported by Tudor Grange Trust to cover the significant financial cost of this change and are delighted to be able to offer this provision for all children to support their learning of phonics and reading. We will be sending more information to parents after the half term break about the differences in the scheme and why we have decided to make this change.

If any parents are able to help with the making of **costumes for the Class 4 play of The Jungle Book**, please speak to Mr Morris or let Mrs Peachey know in the office.

I hope that you all have a wonderful , hopefully warm and sunny break this half term,

Kind Regards,

Mrs. Gail Duxbury
