Weekly update.

Dear Parents/Carers,

As we come to the end of a very long Autumn term in school, we have much to be thankful for and to reflect upon...

Our Key Stage 2 children performed beautifully on Wednesday at the first of our **Carols Round The Tree Concerts**. Thank you to so many parents and families who attended, as it made the event really special and the children felt really supported. Thank you to all the staff who made this event possible - it looks like it will become an annual Christmas event at Haselor.

On Friday evening we all had an amazing time at the **Friends of Haselor's Christmas Fair**. The hall and library were bursting with people all having a go on stalls and enjoying getting into the Christmas spirit. Thank you to all the children who ran their own stalls with such commercial success and joy! The cake stall especially was full of the most delicious bakes and offerings - thank you so much to all those parents who spent time baking behind the scenes and preparing to support the fair - such support really does make a positive difference.

All **staff at Haselor** would like to **thank parents for their kind gifts** that have enabled staff to enjoy a Christmas celebration after school this evening - your generosity is incredible, and all staff are extremely grateful- thank you again.

A quick reminder that **Sprint Active** are running 3 days of **Holiday Camp** activities over the Christmas break - please see the dates list for details and book on their website.

And finally... I hope and pray that you all have a safe and happy Christmas break full of joy and rest. It can be such a busy time of year when we can forget to stop and be grateful for all those things that we are fortunate to have, experience and share. We are so grateful for all our families and children at Haselor and how the relationships that we have, make our school the special place it is.

Thank you for all of your support, encouragement and partnership this term. With much love and prayers,

Mrs. Gail Duxbury
