

5th November 2025

Dear Parents,

Alcester Academy has kindly invited all Class 4 children to their school to watch their performance of Grease on Tuesday 18th November 2024. The performance will start at 1.30pm and should finish at approximately 3.15pm.

We will be supplying a minibus to transport all of the children to the Academy but are requesting that parents collect their children directly from Alcester Academy at 3.15pm to ensure that the children do not miss the end of the show.

If you are unable to collect your child from Alcester Academy at 3.15pm because they usually attend after school club and would need staff at Haselor to bring them back at the end of the performance, we will need to be given plenty of notice so that we can arrange transport for these children.

Please fill in the slip at the end of this letter to confirm whether you will be collecting your child at 3.15pm from Alcester Academy or if they will need a lift back to 'After School Club' at Haselor.

Kind Regards,

Mrs Amie Wilson-Rhone
Principal
