

TUDOR GRANGE PRIMARY ACADEMY HASELOR SEND NEWSLETTER SPRING 2025

This term, we are supporting learning in the classroom with a Speak Out, Stay Safe assembly for children, resourced and supported by the NSPCC. The [NSPCC](#) provide help and support for children and families and work closely with schools and professionals. Their website is a great place for tools, help and support on lots of different topics.

With tools in mind, Easter plans may be a good place to start!

- Visit venues during early morning or late afternoon to avoid peak crowd times.
- Always check the Warwickshire Local Offer Facebook page for specific, updated SEND sessions.
- Country Parks are excellent for quieter, self-led, sensory-friendly adventures.

Young Carers

A young carer is someone under the age of 18 who helps to care for a family member, relative or friend. As a young carer, you might support someone physically or emotionally who has a disability, a long-term illness, or struggles with their mental health. If you're a young person who cares for others or you think your child may be a young carer, we can explore support together.

Early Support

All children and families in Warwickshire are entitled to receive Early Support. This means offering information, advice, guidance, and support to families as soon as a concern emerges, or seems likely to emerge.

A set of tools has been designed so that professionals can work with families to understand their situation, recognise their strengths and identify actions that will enable them to overcome challenges they are facing.

If you have any questions or would like to seek additional information, please speak to Mrs Wilson-Rhone.

Book recommendation - Day by Day by Joanna Griffin

This book has been recommended by a parent to support other parents who are going through SEND referrals. A gentle reminder that you are not alone.
