## Weekly update

Dear Parents/Carers,

What a wonderful week we have had! We celebrated [World Book Day](#) in style yesterday with poetry writing and performance, reading for pleasure and book swaps. A special well done to Eric, Holly, Jonah and Floss for winning poetry books due to their engagement during the day! A huge thank you to our families for making such an amazing effort with costumes.

Next week is [British Science Week](#). In Science this half term, Class 1 have looked at the life cycle of a duck, Class 2 are busy testing everyday materials, Class 3 are enjoying making connections in their seed dispersal topic and Class 4 have looked at human timelines. Please keep your eyes peeled for some exciting Science opportunities that we have been exploring within the Trust.

Our [SATs booster sessions](#) have been really enjoyable and our Year 6 children are working so hard to demonstrate their work ethic and determination! Keep up the hard work.

Next Friday, 13<sup>th</sup> March, is the next [Friends of Haselor](#) meeting. It will be held at 3.30pm in the school hall if anyone would like to join us! Please keep an eye on the FoHA Facebook page for upcoming events.

A gentle reminder to book on for this term's [Parent / Teacher meetings](#). These are less than 2 weeks away and a great chance to speak to your child's teacher and look at their work.

Happy Friday,  
Mrs Amie Wilson-Rhone
