## Weekly update

Dear Parents/Carers,

The children have all had a [wonderful first full week](#) back. Class 1 are looking forward to learning all about different emotions through The Colour Monster, Class 2 are excited to get to grips with their Local Area Geography topic, Class 3 will be making their own cars, exploring prototypes in DT and Class 4 have already been enjoying delving into evolution and life cycles, asking lots of interesting questions.

Children from Year 1 may have come home this week with a [School Council manifesto](#). If they would like to fill this out, please support them with their ideas and return them to school by Friday 18<sup>th</sup> September. School Council members will then be decided by the following week.

Sunny, summer days have quickly turned into a very Autumnal forecast! Please ensure your child brings a [named waterproof](#) to school daily.

Our [Early Reading and Phonics Evening](#) for Class 1 parents will be held on 28<sup>th</sup> September at 5pm. Mrs de Leysin will lead the session in line with our Phonics programme. There will also be chance to look through resources, ask any questions regarding Reading and Phonics and learn all about progression in Reading.

This year, we are completing the Warwickshire Road Safety Safe and Active Schools Programme. Please ensure that you are adhering to [safe parking](#), as outlined in the parking letter received on Monday 7<sup>th</sup>. Images of illegal or unsafe parking will be sent to the team at Alcester Policing - parents may also forward any images to the School Office.

Finally, we would like to all send our [love and luck](#) to Miss Lewis, who is leaving today to begin her maternity leave.

Warm wishes,

Mrs Amie Wilson-Rhone
