

Tudor Grange Primary Academy Haselor Curriculum Plan

Class 1 Spring Term

For our communication, language and literacy... we will be reading a range of fiction and non-fiction books and identifying the similarities and differences of these. We will also be retelling and sequencing stories, applying our phonic knowledge in both reading and writing.

As imaginative and creative artists and designers... we will be making 3D boats, exploring sounds and moving to music.

As users of maths... we will be increasing our understanding of number recognition and ordering. We will also develop our awareness of weight and capacity and mathematical vocabulary in relation to shape.

To understand and enquire about our world... we will be looking at dinosaurs and the meaning of 'extinct'. We will also be looking at sinking and floating and identifying waterproof materials.

To understand our world, its people and communities... we will be studying features of our local environment.

As moral and spiritual beings... we will be looking at the Easter story and how children celebrate Easter around the world.

To understand technology... we will be developing our understanding of how to use age-appropriate computer software.

For our creative and critical thinking... we will be planning and preparing for a trip to our local farm.

For our physical, social and emotional wellbeing... we will be exploring different ways to travel, balance and jump off PE equipment. We will also be considering how to keep our minds and bodies healthy, and the effect exercise has on our bodies.
