

Year 4

Information in this document is aimed to support children throughout the summer before transitioning to Year 5.

Maths – Ready to Progress Criteria:

The bullet points below list key criteria within Mathematics to help prepare children for September.

- Know that 10 hundreds are equivalent to 1 thousand, and that 1,000 is 10 times the size of 100; apply this to identify and work out how many 100s there are in other four-digit multiples of 100.
- Recognise the place value of each digit in four-digit numbers, and compose and decompose four-digit numbers using standard and non-standard partitioning
- Divide 1,000 into 2, 4, 5 and 10 equal parts, and read scales/number lines marked in multiples of 1,000 with 2, 4, 5 and 10 equal parts.
- Recall multiplication and division facts up to 12×12 and recognise products in multiplication tables as multiples of the corresponding number.
- Solve division problems, with two-digit dividends and one-digit divisors, that involve remainders, for example: and interpret remainders appropriately
- Multiply and divide whole numbers by 10 and 100; understand this as equivalent to making a number 10 or 100 times the size.
- Convert mixed numbers to improper fractions and vice versa.
- Add and subtract improper and mixed fractions with the same denominator, including bridging whole numbers.
- Draw polygons, specified by coordinates in the first quadrant, and translate within the first quadrant.
- Find the perimeter of regular and irregular polygons.
- Identify line symmetry in 2D shapes presented in different orientations.

Use Mathletics to support your learning at home. New courses begin in September. Consolidate your learning before moving to Year 5.

Keep practising your multiplication facts on TTR.
Expectations for children in Year 4:

Recall multiplication and division facts for multiplication tables up to 12×12 .

Year 4 Statutory Spelling List

Are you able to read and spell the statutory spellings in the list below? Use these words to help you practise your cursive handwriting.
