

Tudor Grange Primary Academy Haselor Curriculum Plan

Class 4 Autumn Term 2019

Being; Belonging; Knowing

*"It's no good wishing for the impossible. Don't wish. Remember. Remembrances are real."
Michael Morpurgo, Private Peaceful*

For our learning this term we will be thinking hard about the following big questions:

BEING: How does history shape the future? What did my ancestors sacrifice for me to be here?

BELONGING: How does war impact the world?

KNOWING: What is the significance of the First World War? Why do we still remember?

As users of English... we will be reading and studying ***Private Peaceful*** by Michael Morpurgo, developing our understanding of historical fiction through the development of characters and setting.

As creative artists... we will be exploring the work of celebrated World War 1 artists and poets.

As users of maths... we will be mastering our understanding of Number and Place Value. We will also be developing our skills in multiplication, including the automaticity of our mental arithmetic.

As scientific enquirers... we will be conducting scientific investigations into the school environment.

As historical enquirers... we will be studying the causes and impact of World War 1 and the significance of this period of time in shaping the world as we know it.

As moral and spiritual beings... we will be developing our understanding of how people work together in different religions and communities.

As users of technology... we will be using computers to organise and share our knowledge of WW1.

For our wellbeing... we will be actively taking part in a range of games and developing our skills in gymnastics. We will also be considering how to keep our minds and bodies healthy.
