Tudor Grange Primary Academy Haselor Decision notice

Consultation on proposed new admission arrangements for the 2025-2026 intake

A public consultation on the admission arrangements for 2025-2026 ran from 18th December 2023 to 31st January 2024, according to the requirements of the [Schools Admissions Code](#) (2021).

Changes were proposed to the existing admission arrangements as follows:

- We have added a new oversubscription category for children with an exceptional medical and/or social need, the wording has been made clearer and tightened up, and we are proposing to adopt a new Supplementary Information Form that parents must submit for inclusion in this high priority category. This is consistent with all other academies within the Trust.

A committee of trustees met on 8 February 2024 to consider the responses received in the public consultation and determine the admission arrangements for 2025-2026. There were no responses received to this consultation.

Trustees felt that the change proposed was fair and would ensure that children within this oversubscription criterion would be treated consistently and fairly. There were some minor changes to wording in paragraph 18.2 (Children with an exceptional medical and/or social need to attend Tudor Grange Primary Academy Haselor) to clarify the decision maker. Subject to this amendment, **Trustees determined the admission arrangements for 2025-2026** incorporating the consultation changes as proposed.
